[3126 Caterpillar Engine Oil Pressure](#)

The Caterpillar 3126 engine is a CAT engine that was used for light and medium duty uses. It was used in everything from boats, cranes, over the road trucks and ambulances to RVs and buses. It is based on an earlier design (3116), and when it was retired, the CAT C-7 was based on it and was it's replacement. I found a lot of diesel enthusiasts and truckers who really slammed the engine. Said ...
