Learn to DJ for the right reasons. Back before the digital age when DJ's were mixing purely vinyl records, learning how to mix took a heck of a lot of commitment, time, and money. As equipment got cheaper and tracks became available at the click of a button people started DJing for the wrong reasons. DJing simply for the money, or just to get girls are the wrong reasons to begin mixing. You ...

How to choose the right DJ that will suit all your criteria? The answer is simple – you have to meet this person. During the meeting you'll be able to ask all the questions you have, decide whether you feel comfortable with this person, and finally understand if you want to hire this DJ. If it's difficult to meet, get in touch by phone or even make a Skype or Facetime call.

You can get started right now, and just listen to the way professional DJs mix tracks. If you plan on learning on your own, you're actually much better off than most current DJs were five or ten years ago: these days, there are a large number of resources available to help you speed up the learning process considerably and a lot of new technology is now much more affordable, like mixing ...

It's so important to see these pros in action, so if you can attend an event at which they're performing (or else see video from their events), you'll get the best idea about whether or not a band or DJ is right for you. While you may have always envisioned a DJ at your reception, seeing the energy a live band delivers might sway you. Similarly ...
