Musings. A Tough Season (not woodworking) January 19, 2021. Last week as we were preparing to head south on our two-day drive to attend my mother's memorial service, we received the word that Mrs. Barn's father, who had been declining, had reached a precipitous state. At first we thought she would deliver me and then jump on a plane immediately, but as events unfolded she was able to ...

In linguistics, reduplication is a morphological process in which the root or stem of a word (or part of it) or even the whole word is repeated exactly or with a slight change.. Reduplication is used in inflections to convey a grammatical function, such as plurality, intensification, etc., and in lexical derivation to create new words. It is often used when a speaker adopts a tone more ...
